## GOLF TIES IN WITH CORPORATE TOURISM

The Thailand Convention and Exhibition Bureau (TCEB), together with Thai Airways will host a golf event on Aug 28 for their corporate clients and MICE, also read 'Meetings, Incentives, Conventions and Exhibitions' agents at Singapore's Orchid Country Club.

TCEB and Thai Airways will look to this occasion to express appreciation for their support in the past year, as well as strengthen relationships.

An initiative set up to promote more MICE travel, TCEB has launched a campaign called 'Meet by Design' to offer a wide array of incentives to groups with minimum sizes of 50, 100 and 3,000, including providing such extra touches as cultural performances, welcome gifts and fast track immigration, and even cash subsidies of up to 100,000 baht.

National airline Thai Airways will also look to cement its status as the preferred airline for these groups travelling to Thailand.

With a new Live TV entertainment system on board selected flights, passengers can now catch live streams of news and sports from international channels such as CNN, BBC, NHK and Sport 24 direct from its Panasonic Avionics eXTV system.

Thai Airways has won three Skytrax 2018 World Airline Awards, including 'World's Best Economy Class', 'World's Best Airline Lounge Spa' and 'Best Economy Class Onboard Catering'.
