

RIA BINTAN CELEBRATES ITS 21ST ANNIVERSARY

In celebration of their milestone 21st year, Ria Bintan organised a two-day golf carnival to mark the special occasion.

Held over the weekend on Oct 19 and 20, Ria Bintan hosted 108 golfers who had signed up for the RB21 Golf Carnival, exceeding last year's participation, which saw just over 70 golfers for the event.

The first day of the carnival kicked off with a unique Par-3 Challenge, consisting of 21 Par 3s that were played off relocated tee boxes across all the holes of the Ocean Course, and the first three holes of the Forest Course.

Every hole of the Par-3 Challenge offered the chance to win a Hole-in-One prize of S\$1,000 per hole, as well as Nearest The Pin prizes.

In the evening, golfers were treated to a sumptuous BBQ spread, carnival

The following day, golfers competed

once again in an 18-hole tournament before a well-deserved buffet lunch and the announcement of the overall winners for the various components of the carnival.

Mr Goh York Lin, president of Keppel Land Indonesia, said, "We are very pleased for Ria Bintan to have reached this 21st year. Gary Player designed for us an award-winning golf course that has hosted many successful events. To this day, golfers continue to regale about our spectacular Ocean Holes 7 and 8, the renowned Par-3 Hole 9, and the picturesque Hole 10 along a pristine stretch of beach and ocean.

"Ria Bintan was faithfully constructed to the highest of standards, and brought to bear by the team of dedicated leaders and colleagues of Keppel Land and Ria Bintan. We are proud that Ria Bintan has withstood the test of time and remains one of the best courses in Indonesia and Asia, challenging golfers each day. It continues to receive accolades and awards from industry stakeholders, golf media and golfers, and we hope to continue to improve."

KEEP YOUR HEAD HEALTHY WITH LEONICA

Under Singapore's intense heat, golfers must protect themselves from the sun while spending hours on course. From sunglasses to sunblock, proper protection not only reduces the risk of long term damage but also helps one focus on their game.

However, spending extended periods under the sun also puts golfers at risk of damaging their hair and scalp with exposure to the sun's harmful ultraviolet (UV) rays and heat.

Over time, one's hair will get dry and damaged, losing its elasticity which leads to brittle and lacklustre

hair. Also, sunburnt skin on the scalp becomes dry and sensitive, leading to dandruff, itchiness and flaking.

To reverse the effects of sun damage, Leonica K Trichology offers specialised treatments that will repair dry and damaged hair for both genders.
